ENERGY CHALLENGE 4.0

WEEK 4 REPORT

The fourth week's goal was to learn how to save energy from **HEATING AND COOLING** systems. Encourage your students to continue doing the **energy-saving daily habits** to help them carry the knowledge they gained from the ENERGY CHALLENGE throughout the school year.

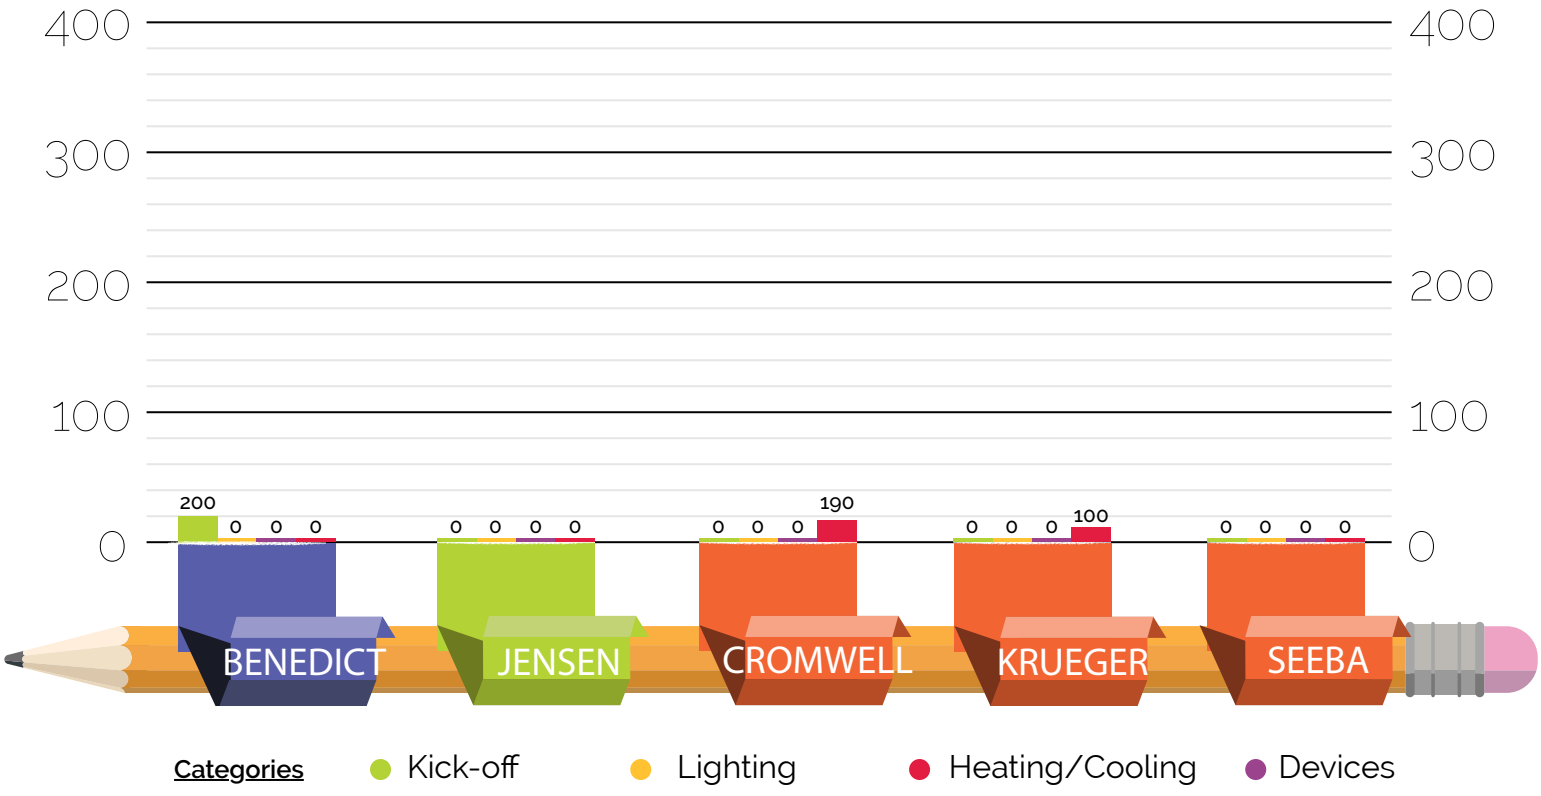

Photos of Mr. Benedict's class presenting their posters of their energy research about energy-saving tips!

KUDOS

Kudos to all participants of the ENERGY CHALLENGE! Congratulations to Mr. Benedict's classroom for scoring the most during Week 4. Kudos to Mrs. Krueger, Mrs. Cromwell, and Mr. Jensen's classrooms for posting points on the dashboard.

Please send us images of dashboards that you haven't submitted yet so we can add to the overall point total before announcing the winner!

SCHOOL ENERGY USE

ENERGY USE REDUCTION WINNER:

CENTENNIAL

Energy use compared to baseline week: Oct 5th, 2018 - Oct 12th 2018 (normalized with average heating degree days for past 30 years for the same time period):

Centennial **3%** energy-use reduction

Washington **1%** energy-use increase

McKinley **2%** energy-use reduction
